

## Business & Training with Figment Theatre

### Overview

With our dramatic toolkit, we provide training opportunities and solutions for businesses and practitioners. From confidence, presentation and communication skills to understanding the disabilities discriminations act, we always deliver first class products with a long lasting legacy in the workforce.

### Case Study: Speakeasy

A communication course for creative businesses and creative practitioners.

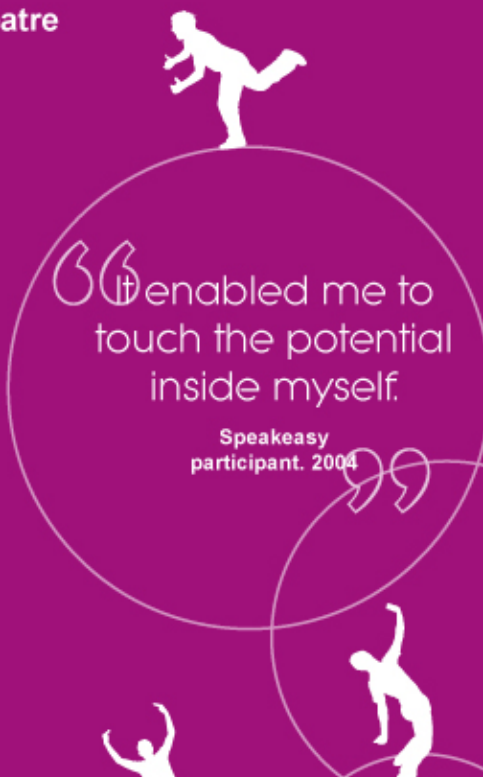

This course specifically targets businesses where presenting work and communication skills are key to the success of their business.

The 2 day course covers the following areas:

- Listening skills.
- Assertive behaviour/confidence building.
- Effective speaking.
- Presenting in a group.
- Body language awareness.
- Confident presentation.

### Aims

To develop skills, techniques and confidence via a

“It enabled me to touch the potential inside myself.”

Speakeasy  
participant. 2004

### Other projects include:

- I Dare You, rail safety campaign for Network Rail.
- Bullying and Harassment, training package for First Direct Bank.
- Communication skills and Consultancy for Kirklees LEA's and teachers.
